

Ingin Tahu Bagaimana Perusahaan Anda

Menghasilkan Cost Saving hingga Ratusan Miliar Rupiah per Tahun?

Masih ada peluang cost efficiency dan value creation yang tersembunyi di dalam operasi perusahaan Anda.

Tantangannya bukan menambah improvement project, tetapi menemukan sumber value terbesar dan menentukan improvement yang paling berdampak.

OPERATIONAL EXCELLENCE LEADERSHIP PROGRAM

Building Leaders Who Transform Operational Performance into Measurable Business Value

3-Days Intensive Executive Program

Apakah Ini Terjadi di Perusahaan Anda?

Cost terus meningkat meskipun revenue bertumbuh.

Resource terbatas sementara terlalu banyak prioritas.

Inventory semakin besar dan menyerap working capital

KPI operasional membaik tetapi profit belum ikut bergerak.

Banyak improvement project tetapi impact finansial belum signifikan.

Operational Excellence bukan tentang menjalankan lebih banyak improvement project.

Bukan hanya dari banyaknya project, tetapi juga dari seberapa tepat sasaran improvement terhadap tujuan bisnis
